My Profile

Within your profile as a Student, you will find information that identifies and allows for effective account management. This information includes:

- **Email:** This field displays the email address associated with the account. Important notifications will be sent to this email, and it can be used to reset the password if necessary.
- **Username:** Refers to the unique name a user chooses to identify themselves in the RLP. This name is unique to each user.
- **First and Last Name:** These fields contain the full name of the Student.
- **Country:** This indicates your country of origin or current location as the Student.
- **Time Zone:** The time zone specified in the profile adjusts the platform's timings and dates according to your geographical location, facilitating activity coordination.
- **Educational Institution:** This field shows the name of the educational institution associated with the account.
- **Password Change:** Here, you can update the current password if desired. Keeping credentials secure is essential to ensure account safety.
- **Parents App:** Here you can copy and paste the Identification Code or, alternatively, scan the QR code from your cell phone to access the parent application, where you can monitor the activities assigned to your children. On this website, you can review the progress of your child or children in their English language learning.
