Reports

Here, detailed reports on students' academic performance are generated. These reports provide a comprehensive view of their performance in different areas and activities.

Can I review the general information and by student?

Yes, in this section, the information is presented averaged by student, by learning area, as well as the specific reports of the course, including diagnostic and practice tests. Each of these reports is available for download in PDF format.

To obtain a consolidated report, you can use the "Download Markbook" option, which allows you to obtain all the information in Excel format conveniently.

Select a time range to obtain specific reports.
