Self-study

It displays the percentage achieved by students in self-paced activities, allowing an assessment of their commitment to self-directed learning.

The screenshot shows a dashboard for 'MY CLASSES' with a search bar and navigation tabs: CLASS MATERIALS, RICHMOND IREAD, ASSIGNMENTS, MARKBOOK, and COMMUNICATIONS. Below these are tabs for REPORTS, SELF-STUDY (selected), IREAD, ASSIGNMENT SCORES, and TEST SCORES. A table displays self-study scores for three 'Fly high' products across four preschool classes.

Title containing Student self study scores					
Select a product	Fly high Preschool 1 eStudent's Book	Fly high Preschool 2 eStudent's Book	Fly high Preschool 3 eStudent's Book		
Sort	Last name	Product avg.	Product avg.	Product avg.	All products avg v
	202 Student Preschool	—	12%	—	12%
	200 Student Preschool	—	—	—	—
	201 Student Preschool	—	—	—	—
	203 Student Preschool	—	—	—	—

How to review the progress of students?

To review a student's progress, click on the product. You can use filters (by product, by unit, or by first score) for a more effective search.
