

# Teacher Access

Last Modified on 21/11/2023 10:19 am CST

The main functions of the **Teacher** are:

- **Assignment and Exam Administration:** The Teacher carries out the process of assigning tasks and exams to students within the Richmond Learning Platform (RLP).
- **Results Management:** Reviews students' results in tasks and exams. Additionally, performs the process to export reports of the results by learning area: **Grammar, Listening, Reading, Speaking, Vocabulary, Writing.**

Access to RLP is with your **username** and **password**, information that is personal and non-transferable.
