

# Query Self-Study

Last Modified on 19/01/2024 1:19 pm CST

It refers to the process in which a student independently acquires knowledge, skills, or competencies without the direct guidance of a teacher. In self-directed learning, the student takes responsibility for their own educational process by selecting resources, setting learning goals, and organizing their study time.

To access information on the *Self-Study*:

1. Click on *Query Self-Study*.
2. Select the *Market, Country, Demo data* (if you want this information), *School, Level, Grade, Start Date, and End Date*.
