### Learning Goals:

What are Learning Goals?

In **Learning Goals**, you can find descriptors of the tasks assigned to students (for example, from their Practice Book) as well as their learning objectives and outcomes.

Where can I find Learning Goals?

Desktop View

1. Click on each assigned product to see the assigned unit or units.

2. Click on each of the Learning Goals to expand the information.

Your browser does not support HTML5 video.

Click to Play the video

# Assignments
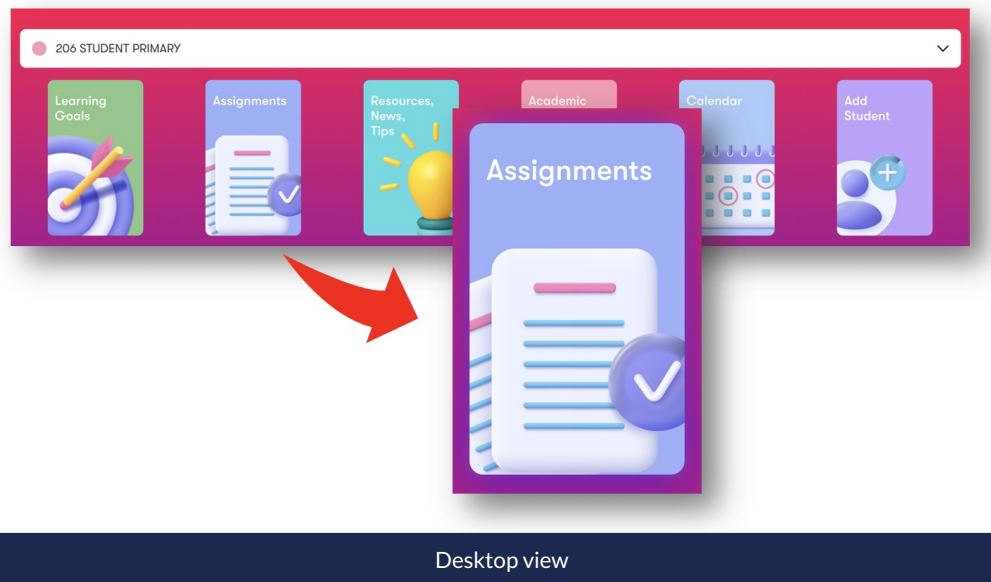

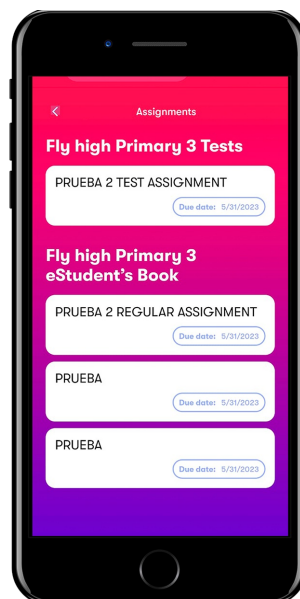

## Assignments

What are Assignments?

Students' **Assignments** are activities assigned to them. In the **Assignments** section, you can find instructions for activities as well as their start date, deadline for completion and an indication of progress made.

Where can I find Assignments?

Desktop view

1. Click on each assigned task to see the instructions, start date, deadline for completion and the student's progress so far with the task.

Your browser does not support HTML5 video.

Click to Play the video.

## Resources, News, Tips

✅ **What's new 😙?**

**Resources, News and Tips**

What are Resources, News and Tips?

In the **Resources, News and Tips** section, you will find useful information and articles about the teaching and learning process, as well as helpful tips to support your children in this process.
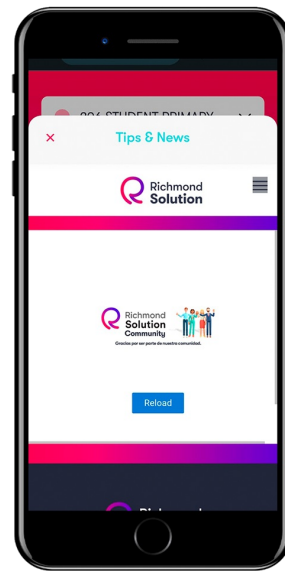

Where can I find Resources, News, Tips?

Desktop view
