Communication takes place through the platform where students interact by responding to what the teacher has posted. They can also reply to their peers' comments, and these messages may include images, videos, lists, and more.

With the help of the toolbar, you can format your responses as desired, including font type, size, color, and more.

To get started, follow these steps:

- 1. Click on New Topic.
- 2. In the popup window, enter the **Title**, **Message**, and select the **Label** and **Archive** the message (only if required).
- 3. Use the **Toolbar** to enhance the formatting of your message.
- 4. Click on Create.
