There are different reasons why the **SUBMIT** button is not enabled in an assignment, here are the most frequent ones.

1. **Manual marking of activities (Pending Marks) has yet to be added** For the **SUBMIT** button to be enabled you must manually grade the activities that need it.

The screenshot shows the 'Manual marking of activities' interface. It includes fields for 'Title' (Englsh), 'Instructions', 'Start date' (07/02/24), and 'Due date' (09/02/24). Below these is a table of activities with columns for the activity name and a percentage/marks field. The activities listed are 'A2 - Unit 3, page 33, activity 5' (100%), 'A2 - Unit 3, page 33, activity 6' (80%), 'A2 - Unit 3, page 33, activity 7' (100), and 'A2 - Unit 3, page 33, Fast Finisher' (100). The 'Total' row shows 80%. A red box highlights the '100' mark input field for the third activity. Below the table is an 'Additional Feedback' section with a large text area. At the bottom are 'CANCEL' and 'SUBMIT MARKS' buttons.

Activity	Percentage/Marks
A2 - Unit 3, page 33, activity 5	100%
A2 - Unit 3, page 33, activity 6	80%
A2 - Unit 3, page 33, activity 7	100
A2 - Unit 3, page 33, Fast Finisher	100
Total	80%

2. **You need to add a feedback.** For the **SUBMIT** button to be enabled you must add a feedback to the student, in the Additional Feedback section you can do it.
