When you access RLP through your platform's banner, you are automatically assigned a class previously configured by your institution.

Self-registration students

If you have a **Class code**, that means your teacher has created a class on the Richmond Learning Platform. You can join the class by entering your **Class code**.

When you join a class:

- Your teacher for that class can message you on the Richmond Learning Platform. These messages will appear in the **Message Center** section.
- Your teacher can see your score for the activities that you complete on the platform.
- You can share materials with your teacher and other students in your class through the **Library**.
- You can discuss topics with your teacher and other students in your class in the **Forum**.

How to enter your class code: Primary Students

1. Watch the following video on the process of adding an access code.
