

My RLP interface is different from that of my classmates

Last Modified on 01/09/2025 12:49 pm CDT

[Students menu](#)

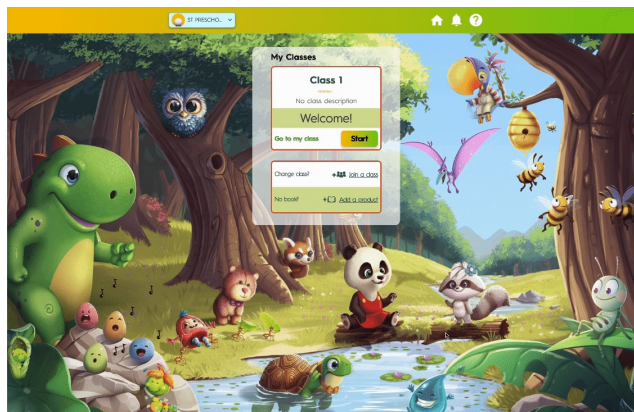

[Leer en español](#)

The main cause is because you have activated a product of a level or grade that does not correspond to yours. Please contact your teacher so that he/she can contact the school administrator.

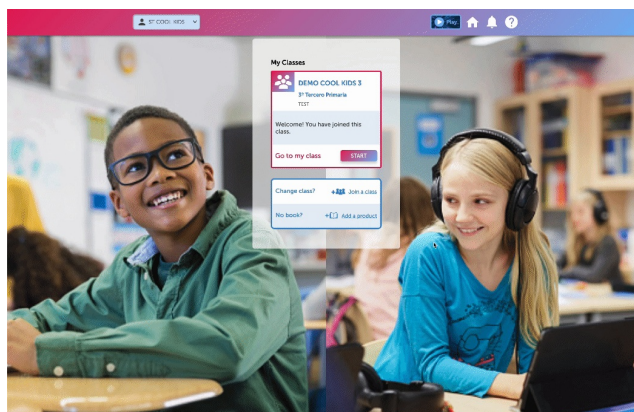

The interfaces are automatically configured according to the products that the students have activated.

Interface types

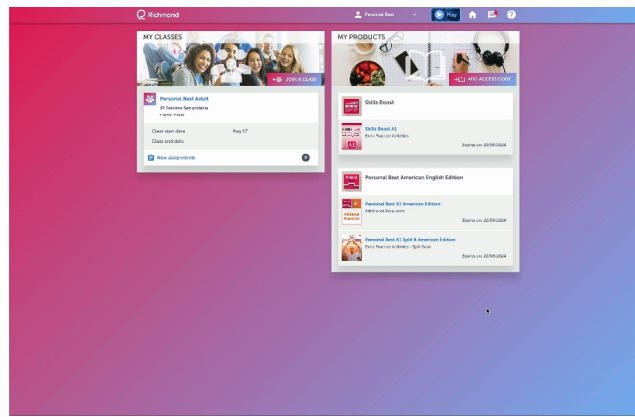

Preschool

Primary

JJAA (young adults)

If you would like to learn more about the use of the platform, please visit our knowledge base at the following link: <https://rlp-ug.knowledgeowl.com/help/student>
