

# My RLP interface is different from that of my classmates

Last Modified on 28/05/2025 10:51 am CDT

[Students menu](#)

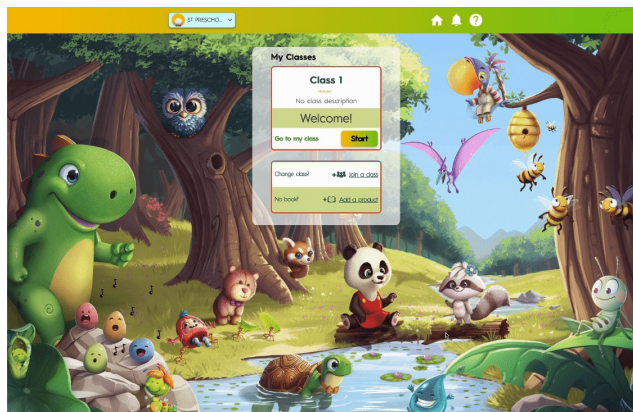

[Leer en español](#)

The main cause is because you have activated a product of a level or grade that does not correspond to yours. Please contact your teacher so that he/she can contact the school administrator.

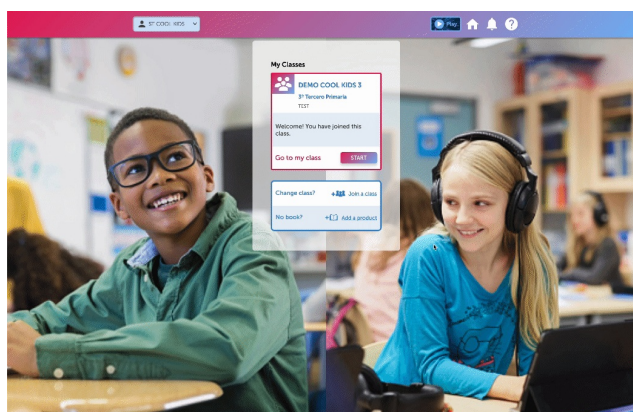

The interfaces are automatically configured according to the products that the students have activated.

## Interface types

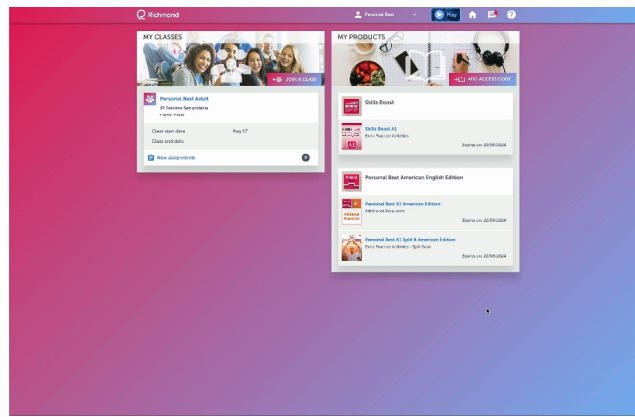

### Preschool

### Primary

### JJAA (young adults)

If you would like to learn more about the use of the platform, please visit our knowledge base at the following link: <https://rlp-ug.knowledgeowl.com/help/student>
