Status page

Menu

Leer en español

A Status Page similar to that of other Santillana platforms has been created to know the operational status of the RLP. Notices may be included indicating any future event that takes place and that affects the performance of the platform.

The link is at the bottom of the RLP in web page. http://status.richmondlp.com/

Your browser does not support HTML5 video.

If you would like to learn more about the use of the platform, please visit our knowledge base at the following link: https://rlp-ug.knowledgeowl.com/help
